OBJECTIVE

It is the desire to secure a position within the entertainment, film, television and/or media industries either as a producer, director, promoter, entertainment director, etc..

QUALIFICATIONS

I have been involved in the film, television and entertainment industries for over 25 years as an actor, entertainer, director, producer, writer and promoter.

During my years in the film and television industries, I have worked both in front of and behind the camera with such luminaries as Denzel Washington, Tony Danza, Al "Grandpa Munster" Lewis, Bob Hostkins, Corey Feldman, etc.. I have produced my own nationally aired programs as well.

My tenure in music and entertainment has afforded me the privilege of working directly with everyone from Mitch Ryder to Gary Puckett to Air Supply.
