QUALIFICATIONS

I have been involved in the film, television and entertainment industries for over 30 years as director, producer, writer and promoter.

During my years in the film and television industries, I have worked both in front of and behind the camera with such luminaries as Denzel Washington, Tony Danza, Michael Madsen, Al "Grandpa Munster" Lewis, Bob Hostkins, Corey Feldman, etc.. I have produced my own nationally aired programs as well.

My tenure in music and entertainment has afforded me the privilege of working directly with everyone from Mitch Ryder to Marty Stuart to Air Supply.

I have experience with operating scissor lifts, set design and build, live event staging and sound, and various video and audio equipment.
